A Girl's Environment.....

Has a strong influence on the formation of her character. The aim of Asheville College is to surround the college life of its students with an atmosphere of refinement and culture which will aid in the development of a well rounded, beautiful womanhood. The natural conditions are perfect for such development.

The magnificent scenery visible on every side of the plateau on which Asheville is situated, and the rarefied atmosphere of its high altitude have a strengthening effect on character which perfect health conditions and constant communication with things beautiful alone can produce. The homelife, too, is perfect. Ease, comfort and refinement, with the fullest personal liberty are its keynote. A girl begins the full duties of womanhood, social as well as intellectual, at

Asheville College for Girls.

There are manifold reasons why the college should claim the attention of discriminating parents—its high standard of intellectual attainment, its equipment, social standing, the advantages offered for the development of the aesthetic side of a girl's nature. These are all adequately described in the college catalogue, which will be sent to any address on request.

PREFATORY.

We present to the citizens of Asheville and public in general our 1900-1901 Asheville City Directory with the firm belief that in point of information and completeness it will give entire satisfaction and reflect credit upon the city.

In the canvass for the names of the citizens we find the nearest average number allowed to each name in the directory to be "three" to the white and three and one-half to the colored. (The average used in nearly all cities.)

We have recorded from A to Z of the general directory (both white and colored), 8,654 names, which shows that the population of Asheville, including Biltmore, West Asheville, Victoria, Ramoth, etc., is 25,962.

In conclusion, we beg to return our most cordial thanks to those who have so generously given us their support, and to them we hereby dedicate this work. To the public generally who have kindly aided us in getting up the data, etc., we return our acknowledgements. To our patrons and the public in general, we promise to make each succeeding volume of our Asheville City Directory more worthy of commendation and patronage, and we will issue it as often as of actual necessity. Respectfully,

THE PUBLISHERS.

DON'T LEND

Your Umbrella

Did you ever lend your umbrella? If so, did you ever get it back? If you got it back, didn't you have to go after it or *hunt* for it?

Now, if you never loaned your **DIRECTORY,** we recommend you never to try it, for you will suffer a worse fate than with your parachute!

Borrowers, generally, are chronically such. Their conscience is "SEARED AS WITH A HOT IRON." Beyond the shadowy vision of its ultimate reappearance, you will never see it again. The man who borrows a **DIRECTORY** never buys or subscribes for it (or for anything else.) Ask him to do so, "HE DOESN'T NEED IT," "NEVER HAS ANY USE FOR IT," "EVERYBODY KNOWS HIM, HE KNOWS MORE ABOUT THE PEOPLE IN THIS CITY THAN YOU CAN TELL HIM." Yet the virgin freshness of its leaves has hardly been sullied by human touch before this individual wants to borrow your **DIRECTORY.** "HE WILL BRING IT BACK RIGHT AWAY."

THIS IS PROPHETIC!

Keep your **DIRECTORY**; it has cost you money; you can't buy another. It is out of print, for we publish only the number subscribed for.

ABOUT PRESCRIPTIONS.

The best of medicines are none too good for sick folks. It's bad enough to be sick without running the chances with second-grade drugs. That's the reason we buy only the very highest quality of everything. It's a great satisfaction to us to know that every prescription we send out is just as good as good drugs can make it. No matter what you may pay for it, you cannot get it any better.

And every man who waits upon you in our establishment is either a graduate of medicine or a graduate of pharmacy. No incompetents here.

DON'T LEND

Your Umbrella

Did you ever lend your umbrella? If so, did you ever get it back? If you got it back, didn't you have to go after it or *hunt* for it?

Now, if you never loaned your **DIRECTORY**, we recommend you never to try it, for you will suffer a worse fate than with your parachute!

Borrowers, generally, are chronically such. Their conscience is "SEARED AS WITH A HOT IRON." Beyond the shadowy vision of its ultimate reappearance, you will never see it again. The man who borrows a **DIRECTORY** never buys or subscribes for it (or for anything else.) Ask him to do so, "HE DOESN'T NEED IT," "NEVER HAS ANY USE FOR IT," "EVERYBODY KNOWS HIM, HE KNOWS MORE ABOUT THE PEOPLE IN THIS CITY THAN YOU CAN TELL HIM." Yet the virgin freshness of its leaves has hardly been sullied by human touch before this individual wants to borrow your **DIRECTORY**. "HE WILL BRING IT BACK RIGHT AWAY."

THIS IS PROPHETIC!

Keep your **DIRECTORY**; it has cost you money; you can't buy another. It is out of print, for we publish only the number subscribed for.
